Dear Mom & Dad,

I just called (8:45p EDT)
but you weren't home! We
went hiking in the mountains
today: 17.7 miles - down 2000 ft
then up 2000 ft. A very
difficult climb but managed
better than ~~when~~ when
we did it 17 years ago.
Vickie, of course, marched
down and up with no
difficulty at all. We've
had beautiful clear, warm
weather all weekend.
Please turn over for my
cherish more - love,
Jim & Vickie
